To Whom It May Concern:

I am very supportive of the production of WARTIME ROMANCE.

This musical is produced to entertain, educate and enlighten. Recently it played at the Santa Clarita Performing Arts Center in Los Angeles County to rave reviews and standing ovations.

Wartime Romance seeks to educate our children on the sacrifices made to insure our freedom. Veterans and military families are acknowledged with applause. Our men and women in the service to our country who are in harms way, and even our K-9 soldiers, are remembered, with gifts and cards with every ticket sold.

This historically accurate and true WWII love story is as good as anything on Broadway. Lavish sets, brilliant lighting, uplifting musical selections, great sound effects, high energy dancing and heartwarming acting, make this experience one to remember.

This patriotic production does a lot of good for a lot of Americans, civilians and military personnel alike. The opportunities this production presents are limitless. I sincerely hope as many people as possible have a chance to see this heartwarming production.

Sincerely,

A handwritten signature in black ink that reads "Buck". The signature is stylized and cursive.
